

TOROS CONSTRUCTION - REFERENCE LIST

CLIENT	SCOPE OF WORK	LOCATION	YEAR
 INTECO MELTING AND CASTING TECHNOLOGIES GMBH	Manufacturing of hot offtakes, water cooled duct and snorkel exchange car	Lipetsk RUSSIA	2021
 CAMFIL POWER SYSTEMS	Manufacturing of air intake system, GT & EG enclosures, ventilation systems, supporting structure, platforms and ladders (2 units)	Bangkok THAILAND	2021 - 2022
 JOHN COCKERILL	Manufacturing of inlet duct diffusion grid for Termocandelaria CCPP (2 units)	Cartagena COLOMBIA	2021
 BALTEC IES	Manufacturing of bypass stack diverter damper for Aktobe CHP	Aktobe KAZAKHSTAN	2021
 CAMFIL POWER SYSTEMS	Manufacturing of air intake system, GT & EG enclosures, ventilation systems, supporting structure, platforms and ladders (4 units)	Rayong Province THAILAND	2021
 CAMFIL POWER SYSTEMS	Manufacturing of air intake system, GT & EG enclosures, ventilation systems, supporting structure, platforms and ladders (14 units)	Various THAILAND	2020 - 2022
 NOVARGI INDUSTRIES, S.L.	Manufacturing of coil bundles (modules), casing, duct & exhaust stack for Thermal Oxidizer Package and Waste Heat Recovery Boiler	Republic of Tatarstan RUSSIA	2020 - 2021
 TECHNIPFMC	Manufacturing of reformer steel structure for refinery expansion and modernization project	Alexandria EGYPT	2020 - 2021
 JOHN COCKERILL	Manufacturing of anchorages for Termocandelaria CCPP (2 units)	Cartagena COLOMBIA	2020
 NOOTER/ERIKSEN, INC.	Manufacturing of casing, inlet duct, main frames, field seams & exhaust stack for 565-MW CCPP	Macaé (Rio Janeiro) BRAZIL	2020
 INTECO MELTING AND CASTING TECHNOLOGIES GMBH	Manufacturing of ladle transfer cars, snorkel maintenance cars, snorkel exchange cars, hot offtakes & cars, switching devices and watercooled ducting.	Iskenderun TURKEY	2020
 JOHN COCKERILL	Manufacturing of anchorages for Toplarna CCPP (2 units)	Ljubljana SLOVENIA	2019
 JOHN COCKERILL	Manufacturing of pot lift platform steel structure for TATA Steel Plant (2 units)	Kalinganagar INDIA	2019
 BALTEC IES	Manufacturing of GFT exhaust stack, structural steel, platforms and silencer baffles for Az-Zubaydiyah power plant (3 units)	Az-Zubaydiyah IRAQ	2019
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing of stack and secondary steel Arab Potash CCPP	Al-Safi JORDAN	2019
 CAMFIL POWER SYSTEMS	Manufacturing of silencer splitters for gas turbine air intake systems	Port Sudan SUDAN	2019
 COCKERILL MAINTENANCE & INGENIERIE	Manufacturing of Inlet Duct Grid for 495 MW CCGT-TPP Construction Project (2 units)	Nizhnekamsk RUSSIA	2019
 COCKERILL MAINTENANCE & INGENIERIE	Manufacturing of Anchorages for 1.026GW Layyah CCPP HRSG Stack (2 units)	Layyah PAKISTAN	2019
 WESTECH ENGINEERING, INC.	Manufacturing of internal parts of Dissolved Air Flotation unit for LyondellBasell & Covestro chemical plant	Rotterdam NETHERLANDS	2018
 WESTECH ENGINEERING, INC.	Manufacturing of 8m Dia elevated tank for LyondellBasell & Covestro chemical plant	Rotterdam NETHERLANDS	2018
 CAMFIL POWER SYSTEMS	Manufacturing of Air Intake System for EU18093 Mornaguia Project	Mornaguia TUNISIA	2018
 WESTECH ENGINEERING, INC.	Manufacturing of 2507 super duplex stainless steel parts for 2 Thickeners and 1 Clarifier mechanisms	North Carolina USA	2018
 WESTECH ENGINEERING, INC.	Manufacturing of 24m Dia x 14m Side Wall Deep Bed™ Paste Thickener mechanism (2 units)	Gayskiy Gok RUSSIA	2018
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing penthouse enclosure and embedments for 900 MW CCCP (2 units)	Turakurgan UZBEKISTAN	2017 - 2018
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing of exhaust stack, penthouse enclosure and embedments for 450 MW CCCP	Navoi UZBEKISTAN	2017 - 2018
 COCKERILL MAINTENANCE & INGENIERIE	Manufacturing of casing, inlet duct, outlet duct, exhaust stack and closing plates for 501 MW Grati CCPP (3 units)	Grati INDONESIA	2017
 COCKERILL MAINTENANCE & INGENIERIE	Manufacturing of exhaust stacks for 1574 MW Mary CCPP (4 units)	Mary TURKMENISTAN	2016 - 2017
 CAMFIL POWER SYSTEMS	Manufacturing of Air Intake System and Air Suction Duct for S-OIL Onsanax Residue Upgrading Complex Project	Onsan SOUTH KOREA	2016 - 2017
 CAMFIL POWER SYSTEMS	Manufacturing of Air Intake System for 450 MW Open Cycle Gas Turbine Power Station (3 units)	Azura Edo NIGERIA	2016 - 2017
 HOWDEN AXIAL FANS	Manufacturing of axial fan static parts for 3 x 650 MW South Helwan Supercritical Thermal Power Plant (6 units)	Giza EGYPT	2016 - 2017
 CAMFIL POWER SYSTEMS	Manufacturing of filtermodules, support structure, platforms, ladders and installation of electrical outline for extension of the existing Air Intake System	Finspång SWEDEN	2016
 HOWDEN AXIAL FANS	Manufacturing of structural steel components for industrial fan testing facility	Växjö SWEDEN	2016
 NOOTER/ERIKSEN, INC.	Manufacturing of casing, inlet duct, main frames, field seams, exhaust stacks, stair tower, ladders, platforms, drum supports, pipe supports and embedments for 1280 MW CCCP (4 units)	Djel'fa ALGERIA	2014 - 2016
 COCKERILL MAINTENANCE & INGENIERIE	Manufacturing of casing, inlet duct, outlet duct and exhaust stack for 400 MW CCCP	Kazan RUSSIA	2015
 NOOTER/ERIKSEN, INC.	Manufacturing of catalyst support frames for 2300 MW Nishi Nagoya CCCP (6 units)	Nagoya JAPAN	2015
 NOOTER/ERIKSEN, INC.	Manufacturing of pipe supports for 1250 MW Port Everglades Next Generation Clean Energy Center (PEEC) natural gas fired combined cycle power plant (3 units)	Broward County Florida U.S.A.	2014
 GENERAL SYSTEMS DESIGN	Manufacturing of coil bundles for 230 MW Gardabani CCCP (2 units)	Gardabani GEORGIA	2014
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing of ladders, platforms, drum supports, silencer supports along with manufacturing of roof casing, field seams and pipe supports for 1240 MW VPI Immingham CHPP	Immingham UNITED KINGDOM	2014
 ENKA CONSTRUCTION & INDUSTRY	Manufacturing and detail design of various storage tanks (diesel, fire water, air receiver, nitrogen equalization, etc.) along with manufacturing of stack ladders, pipe spools, pipe racks, air compressor/substation/fire water pump/waste storage shelter/diesel unloading shelter/workshop buildings and platforms for 3x42 MW Power Generation Plant of West Qurna Oil Field, Phase II	Basra IRAQ	2012 - 2014

TOROS CONSTRUCTION - REFERENCE LIST

CLIENT	SCOPE OF WORK	LOCATION	YEAR
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing of exhaust stack, stair tower, drum supports, pipe & electrical supports and embedments for 250 MW Dead Sea Works CCCP	Sodom ISRAEL	2013
 NOOTER/ERIKSEN, INC.	Manufacturing of LB & SB pipe supports and cable tray supports for 2 x 800 MW CCCP (4 units)	U-Thai THAILAND	2013
 NOOTER/ERIKSEN, INC.	Manufacturing of LB & SB powerstrut and pipe supports (2 units)	Seoul SOUTH KOREA	2013
 NOOTER/ERIKSEN, INC.	Manufacturing of LB & SB pipe supports and cable tray supports for 2 x 800 MW 1,600MW gas turbine combined-cycle (GTCC) power generation plant (4 units)	Nong Saeng THAILAND	2012
 NOOTER/ERIKSEN, INC.	Manufacturing of structural steel for inlet duct, stair tower, ladders, platforms, drum supports, pipe supports and accessories for 460 MW CCCP	Wexford IRELAND	2012
 BERSEY	Manufacturing of gas ducts and mechanical components for industrial boilers	Kocaeli TURKEY	2012
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing of exhaust stacks for Shuweihat CCCP (4 units)	Abu Dhabi UAE	2012
 NOOTER/ERIKSEN, INC.	Design and manufacturing of exhaust stack, drum supports and embedments	Baku AZERBAIJAN	2012
 GENERAL SYSTEMS DESIGN	Manufacturing of stacks, stair towers and platforms for 120 MW BLS Energy CCPP (2 units)	Bursa TURKEY	2012
 BERSEY	Manufacturing of structural steel, cyclones, process equipment for wood processing plant	Adana TURKEY	2011
 NOOTER/ERIKSEN, INC.	Detail design and manufacturing of exhaust stacks, stair tower, ladders, platforms, drum and silencer supports and LB & SB pipe supports	Navoi UZBEKISTAN	2011
 NOOTER/ERIKSEN, INC.	Manufacturing of stair tower, ladders, platforms, drum and silencer supports for 1000 MW CCCP	Antalya TURKEY	2010
 TEKFEN GROUP	Manufacturing of structural frames and pipe racks for LDPE-3 polyethylene factory	Doha QATAR	2010
 NOOTER/ERIKSEN, INC.	Design and manufacturing of exhaust stacks, stair towers, ladders, platforms, drum and silencer supports for 2 x 1000 MW EnerjiSA CCCP	Bandirma TURKEY	2009
 GENERAL SYSTEMS DESIGN	Complete mechanical installation of 125 MW CCCP extension	Mersin TURKEY	2009
 NOOTER/ERIKSEN, INC.	Design and manufacturing of casing, exhaust stack, stair tower, ladders, platforms, drum and silencer supports for 125 MW CCCP extension	Mersin TURKEY	2009
 CAMIS ELEKTRİK	Manufacturing and installation of bypass stack for 125 MW CCCP extension	Mersin TURKEY	2009
 WORLD CONTROL INTERNATIONAL	Manufacturing of casing for NUH Energy CCCP	Gebze TURKEY	2009
 NOOTER/ERIKSEN, INC.	Design and manufacturing of exhaust stack	Tasmania AUSTRALIA	2008
 NOOTER/ERIKSEN, INC.	Manufacturing of HRSG embedded structural components for Sugres Power Cogeneration project	St. Petersburg RUSSIA	2008
 GAMA ENDÜSTRİ A.Ş.	Manufacturing of air and flue gas ducts of steam boilers	Iskenderun TURKEY	2007
 TEKFEN GROUP	Manufacturing of steel structures for Sangachal ACG Second Produced Water (Desalination Plant) project	Iskenderun TURKEY	2007
 GRDMINPROC LTD	Manufacturing of thickeners for Chelopech Mines	Cehlopech BULGARIA	2007
 GAMA ENDÜSTRİ A.Ş.	Manufacturing of steel for a 50,000 m3 capacity oil storage tank	Mosul IRAQ	2006
 NOOTER/ERIKSEN, INC.	Design, manufacturing and delivery of exhaust stacks for Viridian Power Huntstown II Cogeneration project	Dublin IRELAND	2006
 ÇİMSA CEMENT INDUSTRIES	Manufacturing and erection of steel structure for 70,000 m3 capacity clinker storage hall for a cement plant	Kayseri TURKEY	2006
 NOOTER/ERIKSEN, INC.	Design, manufacturing and installation of exhaust stack, stair tower, ladders, platforms, drum and silencer supports for 125 MW CCCP extension	Mersin TURKEY	2006
 CAMIS ELEKTRİK	Design, manufacturing and installation of bypass stack for 125 MW CCCP	Mersin TURKEY	2006
 ÇİMSA CEMENT INDUSTRIES	Manufacturing and erection of steel structure for 70,000 m3 capacity clinker storage hall for a cement plant	Kayseri TURKEY	2006
 SODA SANAYİ A.Ş.	Manufacturing and erection of lime furnace steel structure	Mersin TURKEY	2005
 SODA SANAYİ A.Ş.	Manufacturing and installation of saline water tanks	Mersin TURKEY	2005
 GAMA -TEKFEN J. V.	2 x 660 MW Sugrui Power Plant (İSKEŦ). Construction of foundations for boiler house, stack, electrostatic precipitators; foundations of Flue Gas Desulphurization (FGD) System pump stations, tanks, absorber columns. Construction of the turbine pedestals, feed water pump foundations, various equipment foundations. Installation of GRP cooling water pipe, construction of concrete fixing blocks and overpass bridges, manufacturing of offshore cooling water intake structures (precast concrete boxes, 4 units each weighing 600 tons). Construction of Shelter Building, Personnel Mess Hall and Service Building, other auxiliary facilities. Manufacturing and installation of precast roof girders and plates of ash silo, precast fence posts, precast manholes, curbstones, other ancillary elements. Manufacturing and installation of embedded items for turbine mat foundations and cooling water pumping station, various structural steel parts and built-up girders for boilers, stainless steel and hot dip galvanized elements for marine structures. Unloading and installation of Condensers, including all tests. Installation of Pneumatic Ash Transport System between electrofilters and ash silo. Erection of Process Tanks for the FGD System. Finishing civil works, drainage channels, retaining walls, foundations of lighting poles, site peripheral fence, road pavements and sidewalks. Manpower and supervisor supply for start-up activities, revision and modification works in structural and mechanical systems.	Adana TURKEY	2000 - 2003
 ATAS REFINERY	Manufacturing and installation of 30,000 m3 capacity fuel oil storage tank including steam tracing and other process piping	Mersin TURKEY	2001 - 2002
 SCHELDE - TEMON J.V.	Complete civil works, manufacturing and installation of structural steel, stack, gas ducts and pipe bridges along with boiler erection including all mechanical works, piping and refractory works	Mersin TURKEY	1999 - 2000
 ATAS REFINERY	Rehabilitation and maintenance of crude oil tanks, shotblasting, epoxy painting, weld repairs, replacement of base plates, replacement of gaskets of floating roofs and various civil works	Mersin TURKEY	1999 - 2000
 DELKOR LTD	Manufacturing and installation of press filters and vessels for chemical plants	Mersin TURKEY	1997 - 1998
